Sub: Extension of approval to **AHMADABAD INSTITUTE OF TECHNOLOGY NEAR VASANT NAGAR TOWNSHIP, GOTA CHOKDI OGNAJ ROAD TA : DASKOI, DIST : 8 AVANTIKA PARKROAD AHMEDABAD - 382 481, for the year 2005-06-reg.**

Sir/Madam,

As you are aware, All India Council for Technical Education has been mandated under the AICTE Act, 1987 to ensure maintenance of norms and standards with regard to technical education in the country. In exercise of this mandate, the Council insists on fulfilment of the minimum requirements prescribed for imparting technical education by the institution so that quality of courses is not compromised and stakeholders are satisfied. The Council also undertakes an annual inspection of the institutions and conveys deficiencies to them for rectification.

Such institutions suffer from critical deficiencies of faculty in proper cadre ratio's qualification, experience and other requirements. Feed back of students with regard to quality of education imparted by such institutions has evoked grave concern. The Expert Committees, following holistic appraisal during inspections, have also pointed out severe shortcomings in key areas.

The institution was allowed to be established in the year 2004-05. The inspection and appraisal have revealed that adequate steps to provide the requisite infrastructure necessary for imparting quality technical education have not been taken. The institution has been found to be suffering from several deficiencies which are listed in Annexure-A for your perusal of which faculty shortage is the most critical.

The deficiencies particularly faculty shortage have evoked grave concern and rendered the institution liable for strict punitive action including being placed in no admission/reduced intake category. However the Council has decided that yet another last opportunity may be given to the institution to improve the situation as you are still a fledgling institution.

It has thus been decided to extend approval in respect of the institution for the year 2005-06 as indicated below, subject to rectification of deficiencies by end of August, 2005. The Council shall monitor progress in this regard carefully and strictly and shall put your institution in no admission/reduced intake category for the year 2006-07 without any further opportunity in the event of your failure to comply with the aforementioned stipulations. The approved course(s) along with recommended intake for the year 2005-06 in respect of **AHMADABAD INSTITUTE OF TECHNOLOGY NEAR VASANT NAGAR TOWNSHIP, GOTA CHOKDI OGNAJ ROAD TA : DASKOI, DIST : 8 AVANTIKA PARKROAD AHMEDABAD - 382 481** is as under:-

The Council has decided to undertake inspections without any prior notice before extending approval for the year 2006-07 anytime after August, 2005. A compliance report in respect of deficiencies listed in Annexure-A must be sent to the Council with a copy to the concerned Regional office before 31st August, 2005 in the absence whereof extension of approval for year 2006-07 may not be considered.
